

New luxury aged care residence set to open on Gold Coast

Family-owned and operated, TriCare has provided independent retirement living and residential aged care for 50 years.

Our new state-of-the-art, architecturally-designed extension to Cypress Gardens Aged Care Residence at Clear Island Waters will be opening soon.

This purpose-built residence of 73 spacious, elegantly-appointed deluxe suites, complemented by contemporary communal areas, takes advantage of our established community with all its existing services and experienced staff.

ALL OUR PRIVATE SUITES FEATURE:

- German-designed and built automated bed and recliner
- Individual climate-controlled air conditioning
- Louvered windows for fresh air to circulate
- Built-in bar fridge and writing desk
- Large wall-mounted flat screen TV with DVD and Foxtel access available
- Private ensuite with abundant storage
- 24 hour emergency call system, in-built body protection circuitry and ceiling hoist

RESIDENT SERVICES:

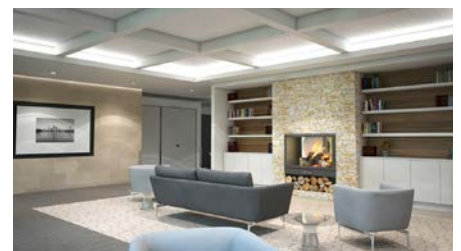

- Free Care Placement Service
- 24 hour residential, respite and palliative care
- Café, hair salon and luxurious lounges
- Fresh, nutritious meals designed and prepared by our onsite chef, and served in one of the dining rooms, private function room or room service
- Valet laundry service

You will find our new development adjacent to Cypress Gardens Retirement Community, enabling a new level of convenience for couples with different individual needs.

Don't miss out on a privileged opportunity to take advantage of the best in aged care on the Gold Coast.

MAKING COMPLEX DECISIONS EASIER

It can be difficult and frustrating to find your way through the maze of aged care information.

At TriCare, we offer a free, no obligation Care Placement Service that can help you understand your financial options and legal rights if your loved one needs 24 hour nursing care.

Our skilled Placement Co-ordinators will be happy to give you information customised to your individual circumstances.

We will:

- tailor the fees and charges information to your circumstances.
- qualify your needs and identify vacancies that may be suitable.
- supply the required paperwork.
- explain the principals behind the federal legislation governing residential aged care.
- provide contacts for independent financial advice and government sources for additional information
